

Heavy Duty Grade Pressure Washer

CE250 electric driven - 10HP Mobile Unit**The versatile & mobile Solution for cleaning and washing task****Generals**

The ideal pressure washer for cleaning jobs with ergonomics and mobility. Excellent performance, low noise levels and easy servicing make this an efficient pressure washer.

CE250 unit with its robust and remarkable design makes it adapted to the toughest environments.

Ideal for 3~4 hours continuously operations

All controls in one place for easy usage

Standard features

Ergonomic design and maximum mobility

Small and compact - easily fixed to working place

Heavy duty 3 ceramic piston pump for long service life and intensive applications

High level of serviceability

Stainless steel cover

3 rubber casters with stop latch

Benefits

Economic to all purpose high pressure cleaner

Effectively removes dirt

Solves smaller to medium sized cleaning jobs with ease

CE250 electric unit

Quick connect type gun & lance

Technical data

Max pressure	250 bar
Working pressure	230~ 250 bar
Flow rate (60Hz)	15 ltr/min
(50Hz)	13 ltr/min
Max. water inlet temp.	40°C
Voltage	3~440/60Hz/16.5A 3~380/50Hz/16.5A
Power rating	7.5 kW
Dimensions L x W x H	960 x 500 x 840
Net weight (about)	107 kg
Rotation speed (60Hz)	1730
(50Hz)	1440
IP protection	54
Water inlet connection	19mm male
Safety device	Inlet pressure switch Thermo valve

Standard accessory

High pressure hose 15mtr *M22	1 roll
Quick connect shut-in gun handle	1 ea
15D fanjet nozzle + 700mm lance	1 ea
Straight nozzle + 70mm lance	1 ea
Power cable, 5.5SQ*4C	1 mtr

Optional accessory

Variable spray nozzle + 700mm lance
Chemical inject valve
Chemical inject dual lance gun
Wet abrasive nozzle + lance
High pressure hose adapter
